

Dear Erna

14 July 2016

I am so sorry to tell you that your brother, Peter, has passed away on July 9, 2016 in Kamloops.

I am Myrna Stringam, Edelemn's niece and I like and Utah. (USA) I have had close contact with Peter and Edelemn for many years - daily contact by telephone + also visits.

Peter and Edelemn moved from their home in Feb. 2014 into a retirement home. My husband and I took an apartment in Kamloops for a year and a half to help them get settled and also to sell their home for them.

Peter took a fall about 6 weeks before his death and he broke his hip. He just did not have enough strength to overcome all this. Edelemn is now 95 yrs, but her health is still relatively good.

With sympathy
in this time of sadness.

I am so sorry to be
the bearer of bad news.
Yours truly
Myrna Stringam

Peter is buried in Kamloops
at the Hillside Cemetery.
